H. How the money will be used

It is important to note that LCRF is only able to support work for the relief of destitute refugees and asylum seekers in the London area. You need to demonstrate in this section that your work reflects this objective and how you will ensure that money is used for this purpose.

Please use the following headings to demonstrate how the money will be spent. You may use a separate sheet for your answers or to complete them, as necessary.

1. Please describe the use(s) for which the money is intended

2. Please indicate the groups of refugees / asylum seekers who will be the recipients eg children, mothers and infants, those refused etc

3. Please provide a budget breakdown of how the money will be spent

4. How many people do you estimate will benefit from the amount requested?

5. Indicate briefly the main 'trends' experienced over the last 6 months in your area of work

6. **(For second and subsequent grant applications)** Provide a brief example / case study of how someone has benefitted from the kind of assistance you would be able to continue to offer to your users were your application to be successful.
