Jesus was once a refugee too!

The London Churches Refugee Fund works with local projects to help destitute refugees and asylum seekers living in London. Vulnerable people need your help more than ever this year.

You can **donate** at www.lcrf.org.uk. Or why not give your friends and family one of our **virtual 'Welcome Gifts'** – new this year! You will receive a lovely card to give them with details of how you are helping refugees in their name. £15 tops up a mobile phone so that a refugee can call home, £30 will provide a mother with baby clothes or nappies, £50 will help feed several whole families. To buy your Welcome Gifts and Christmas cards, go to <https://lcrf.onlineweb.shop/>. Thank you!
