

The gift that says 'welcome'

New this year from the London Churches Refugee Fund, you can buy 'Welcome Gifts' from the comfort of your own armchair!

Welcome Gifts are virtual Christmas presents for you to send to others instead of a traditional gift. By purchasing these you are donating to our work with refugees.

You will receive a lovely card to give to a family member or friend, with details of how you are helping refugees in their name. £15 tops up a mobile phone so that a refugee can call home, £30 will provide a mother with baby clothes or nappies, £50 will help feed several whole families.

To buy your Welcome Gifts or Christmas cards, go to <https://lcrf.onlineweb.shop/>. Thank you!

LCRF works with local projects to help destitute refugees and asylum seekers in London. Vulnerable people need your help more than ever this year.
